Lisa,

I have not received a response to my July 7 message and subsequent reminders regarding the revised assessment data provided by our Technical Research Unit Staff. Therefore, we will consider the data approved and submitted by the Hollywood Media District BID for submission to the County today.

Let me know if you have any questions.

Rita

Hi Lisa,

Not sure whether you were going to submit updated data or input on what Dennis last provided. In any case, Dennis has updated the data and provided some comments about the changes. Please review the attached and let me know if it's okay to submit to the County.

Thanks.
